AYRES Colours offer a wide variety of outstanding decors (thin HPL) suitable for its **AYRLITE® 2054/2053** and **VENTURELITE® 2050** panels.

Mankind has always had an enduring appreciation of colour. From the discovery of natural colours to the development of colour monitors, the world we live in is saturated in colour. Colour conveys emotion, it inspires and motivates. So let's celebrate colour...

The **AYRES** colour chart consists of 15 great colours to set your imagination free. Of course there are many additional non-stock decors available on request.

Without doubt, whether Snow Flake, Platinum or Amber Urban Oak, **AYRES** Colours are always the perfect choice when consistent appearance is required.

AYRES – for highest quality and appearance.

We advise that the final selection is made from an actual sample. General surface texture is "PE", except Wood decors which are supplied in "FP".
